Rodriguez.90.Rob@gmail.com

Summary

Highly motivated Front End Developer with a passion for creating engaging and user-centric web-based products. Eager to leverage my strong problem-solving skills, collaborative mindset, and expertise in HTML/CSS, JavaScript, and Adobe products to excel in the web development field.

Education

Bachelor's in English Literature and Language
California State Polytechnic University, Pomona

Professional Experience

Freelance

Atlanta, GA

Freelance Web Developer

December 2022 - Present

Collaborated with clients to understand design requirements and usability issues, providing solutions to enhance user experience. Contributed to multiple open-source projects on GitHub, showcasing hands-on coding and problem-solving abilities. Successfully managed remote projects, delivering high-quality work independently within specified deadlines.

Quest Search Group

Atlanta, GA

Business Development Representative

January 2023 - Present

Developed and maintained relationships with healthcare facilities, driving business growth in the Locum Tenens staffing sector. Leveraged strong communication and presentation skills to effectively represent the company's services and value proposition.

Hays

Atlanta, GA

Recruiting Consultant

July 2021 - January 2023

Utilized a proactive approach to recruit top-tier talent nationwide, fostering strong client relationships and managing accounts. Demonstrated adaptability and resilience in a fast-paced recruitment environment.

Dirty South Hip Hop [Blog]

Atlanta, GA

Wordpress Administrator/ Column Writer

November 2020 - July 2021

Managed blog formatting, edited content, and contributed engaging articles, optimizing the blog for mobile compatibility and SEO.

Green Earth Pharmacy Inc.

Harbor City, CA

Account Manager / Assistant Manager

December 2018 - September 2020

Assisted with daily operations, inventory management, and business-to-business sales agreements. Gained experience in managing CRM systems and maintaining meticulous records.

Additional Experience

Trader Joe's

Bixby Knolls, CA

Crew Member / New Hire Trainer

August 2015 - January 2020

Trained new employees, took lead on shift, and ordered dry/canned goods for the store. Responsibilities included cashier, restocking, and maintaining an accurate count for the food donation program.

Terranea Resort

Palos Verdes, CA

Restaurant Server

April 2013 - January 2016

Worked in the "Catalina Kitchen" fine dining restaurant on the resort, one of five restaurants on the property. Provided exceptional service to all guests including a comprehensive understanding of the food menu / pairings.
